

We have the following Quality roles in the food industry to fill and we are seeking qualified candidates for our clients.

Quality Manager located in NM - experience in microbiology and ISO

Quality Manager - OH - meat processing experience

QA Lab Supervisor - OR - dairy or cheese

Night QA Supervisor - NM - food and sanitation preferred

Quality Manager - TX - bakery experience

I appreciate any assistance you can give to us to keep people employed.

Have a great day.

Cheers,

Pamela Leader
